

OVERBROOK RECYCLING

A RECYCLING TRAILER IS NOW IN OVERBROOK!

Osage County has provided a recycling trailer for our community to use. The trailer is located at Jones Park, just north of the Santa Fe Street entrance. The following items can be recycled there:

Recycle Item	Remarks
Aluminum	Aluminum cans- rinse, do not flatten Aluminum scrap- foil, pie pans, frozen food trays
Cardboard	Corrugated Cardboard- broken down and folded flat Single Ply Cardboard- cereal boxes, TP rolls, paper towel rolls
Glass – Jars or bottles only	Rinse out. Discard lids, plastic or metal rings, foam labels and lead wraps or crimped on foil as on wine bottles. Remove labels if possible. No broken dishes, Pyrex, light bulbs or window glass.
Magazines	Magazines/Catalogs, Phonebooks - Cut out your address label (if any)
Newspaper	Cut off your address label (if any)
Office Paper	(typing/computer/shredded)
Plastic	Only HDPE2 or PETE1 (Check container bottom) HDPE2: <ul style="list-style-type: none"> • Milk jugs, keep these separate; rinse and discard lids. • Laundry or soap containers; heavier white milk jugs, butter tubs, flat lids & other items that beat HDPE2. PETE 1: Clear/green pop liters, some ketchup, peanut butter, cooking oil, juice, etc.

Note: Most of the recycling information in this chart was copied from the Osage County web site, <http://www.osageco.org/MV2Base.asp?VarCN=32>.

Please take advantage of this opportunity to recycle now that it's close to home. Also remember to use **reusable cloth bags** when shopping.

WHAT'S IN IT FOR YOU?

1. Recycling will reduce your trash pickup requirements.
2. You will help to reduce the amount of trash that gets dumped in our landfills.
3. You will be a good recycling role model for your children, grandchildren, and great grandchildren.

The MORE we recycle the LESS we put in the Landfill!
